MONEY

Who is Goldfields Money?

Goldfields Money Limited has been providing banking services to our customers for over 34 years. Our story started in Kalgoorlie in 1982 as the Goldfields Credit Union. In 2012 we demutualised and listed on the Australian Securities Exchange and the Goldfields Credit Union became Goldfields Money Limited (ASX:GMY). Listing on the ASX provided us with access to capital. Essentially this meant that Goldfields Money was able to expand our business to reach more customers. We offer great products and services along with our promise of providing much better service than any other bank. We service the Goldfields region, Perth and regional Western Australia..

At Goldfields Money we want to:

- Offer the best banking solutions in the simplest manner possible
- Help our customers make good financial decisions
- Create a great business for the benefit of our customers and shareholders
- Build a successful bank while making our customers lives easier as their trusted financial institution

The Goldfields Money Advantage

Do you get this from your current bank?

- You are greeted by your name as we know who you are
- Common sense approach in dealing with your banking needs
- Flexibility in decision making
- Outstanding customer service
- Service on your terms when it suits you

What can we offer you?
