> Browser Help Guide: Setting up your browser

This how to set up your browser permissions to be able to view your banking transaction receipts.

First things first

Open your browser. Most applications and services prefer Google Chrome! This guide is based solely on Chrome, but other browsers will contain similar options and layouts for their settings menus.

• Next, select the little "3 dot" icon in the top right corner. That's your browser settings menu.

Q Search settings

Advanced 👻					

- Note: This is where all of your settings live, what you're looking for is right at the bottom, titled "Advanced".
- Now you're in the advanced section, you want to check the Privacy and Security section.

Advanced 🔺	
Privacy and security	
Google Chrome may use web services to improve your browsing experience. You may optionally disable services. Learn more	e these
Use a web service to help resolve navigation errors	-
Use a prediction service to help complete searches and URLs typed in the address bar	-
Use a prediction service to load pages more quickly	-
Automatically send some system information and page content to Google to help detect dangerous apps and sites	
Protect you and your device from dangerous sites	-
Automatically send usage statistics and crash reports to Google	
Send a "Do Not Track" request with your browsing traffic	
Use a web service to help resolve spelling errors Smarter spell-checking by sending what you type in the browser to Google	
Manage certificates Manage HTTPS/SSL certificates and settings	
Content settings Control what information websites can use and what content they can show you	•
Clear browsing data Clear history, cookies, cache, and more	Þ

• Next, you want to view the content settings. This controls what you have permission to view and what of yours, websites have the permission to view.

Q	Search settings	
÷	Content settings	0
6	Cookies Allow sites to save and read cookie data	•
9	Location Ask before accessing	•
•	Camera Ask before accessing	•
Ŷ	Microphone Ask before accessing	•
4	Notifications Ask before sending	•
<	JavaScript Allowed	•
	Flash Ask first	•
E	Images Show all	•
Ľ	Popups Blocked	2
	Ads Blocked on sites that tend to show intrusive ads	×
¢	Background sync Allow recently closed sites to finish sending and receiving data	×
-	Allow sites to play sound	•

• You're looking for the section titled "pop ups". Your banking receipt is treated as a pop up by most browsers.

Q Search settings

Blocked (recommended)	
Block	ADD
No sites added	
Allow	ADD
No sites added	

 Here you control what pop ups you want to see. You can add any offensive sites to the block list, you can allow trusted sites by entering the URL link copied from your browser when you view the page or you can completely unblock all. This section is fully customisable and you can block any sites that worry you, easily, from here.

Allow	ADD
www.goldfieldsmoney.com.au	:

Note: When the Allowed sliding tab looks like the above, you've been successful.
All pop-ups should be enabled, allowing your transaction receipt to appear.

If you're still stuck don't stress! Just give us a buzz on 1300 GO 4 GOLD.
