Goldfields Money's Vision: A Fair Cost for Banking Services

Goldfields Money's vision is to develop a significant WA Financial Institution to offer customers a comprehensive range of professional banking services at a fair and reasonable price while maintaining a high customer service and relationship banking ethic.

Our business philosophy is very simple: Goldfields Money's relationships with customers must at all times be beneficial to both the customer and Goldfields Money. A fair price for service is an integral part of that relationship. In return, Goldfields Money rewards customer loyalty. Where a customer keeps their savings, investments and / or loans with Goldfields Money, they are able to take advantage of Goldfields Money's Loyalty Package, designed to help minimise any transaction fees. This brochure outlines Goldfields Money's Transaction Account Fees and Charges.
