

Kids Count 2 Account

QUICK READ

- A Term Deposit account for kids
- Min. balance of \$500

We help kids to save too! If you're under 18 or you'd like to start an account for your kids you can be rewarded for stowing your cash with Goldfields Money.

We'll stash your cash (fixed amount) for a fixed term (1, 3, 6, 9 or 12 months) at a fixed rate of interest.

The minimum we'll stow for a Kids Count 2 Account is \$500 and the minimum deposit term is one month. Check out our great interest rates on our website under the resources menu or give us a call.

The rate of interest we offer will depend on how much, and for how long you'd like to stow your cash. Once your money is safely deposited we'll send you a Certificate of

Investment which includes details about your deposit such as deposit amount, date of deposit, interest rate, term length (1, 3, 6, 9 or 12 months), maturity date (date the term ends) and your client ID.

Before the maturity date you'll need to let us know what you'd like us to do with your money. If we don't hear from you we'll assume you're happy with the arrangement and we'll re-invest your money (including any interest payable to you) automatically. We'll do it at similar terms to when you signed up and at the most up-to-date interest rate on offer. You could set it up and just keep it rolling and growing. Cool huh!

Don't worry, you'll have 7 days after the maturity date to notify us on how you'd like us to proceed with your stowed money.

If you find yourself in a situation where you need all or part of your money withdrawn, contact us so we can talk through the details with you.

You can read more about our term deposit accounts in our product disclosure statement on our website under the 'resources' menu.

We're a bank regulated by the Australian Prudential Regulation Authority (APRA) which means that your deposits are guaranteed for up to \$250,000 per customer. You can read more about it on our website too...come and check us out!
