Our financial services – like our Personal Loans – are structured to help get you where you want to go! It's super easy to apply, just head to our website click on loans and hit the apply button. It'll only take about 5 mins to fill out the online forms.

If you prefer, we'd love to have a chat and go through the loan with you before you make any commitments. You can call, email or visit us today.

Before you apply online or IRL (in real life) you'll need to have handy:

1. Proof of ID
2. Proof of income for all people named on the application (payslips, income tax returns and employers' letters are all acceptable)

There is a one off establishment fee of \$250 or 1.5% of the loan amount to a max of \$500.

If you pay your repayments on time there are no fees! Obviously if you don't some charges may be involved. The only other time you might get hit

with a fee is if you wish to change the loan terms, just give us a call to talk through the details.

Read our easy to understand info on how we charge and what we charge for Personal Loans on our website: goldfieldsmoney.com.au/resources. If you have any questions just call and ask!
