

## Car Loans

### QUICK READ

- **Fast and easy application process**
- **Pre-approval available**

Spotted your dream wheels? We offer straightforward Car Loans to get you on the road, fast! Like all of our products our Car Loans are simple to understand, easy to access and quick to be approved.

Simple, easy, no fuss. Really? You bet.

Even better, we can offer a pre-approved Car Loan so you have more negotiating clout behind you. And pre-approval means you are in a great position to avoid (often less-competitive) vendor financing. With details like your identity and proof of income, the Goldfields

Money's Car Loans Team are standing by to get you on the road.

It's easy to apply, just head to our website click on products, then loans. It'll only take about 5 mins to fill out the online forms. Or if you prefer, we'd love to have a chat and go through the loan before you make any commitments.

You can call, email or visit us today. Before you apply online or in real life you'll need to have handy:

- Proof of ID
- Proof of income for all people named on the application (payslips, income tax returns and employers' letters are all ok)

There is a one off establishment fee for Car Loans of \$250 or 1.5% of the loan amounting to a max of \$500.

If you pay your repayments on time there are no fees! Seriously? Yep.

Obviously if you don't some charges may be involved. The only other time you might get hit with a fee is if you wish to change the loan terms.

Read our easy to understand info on how we charge and what we charge for Car Loans on our website. If you have any questions just call and ask!
