You should follow the guidelines in the section below to protect against unauthorised use of the VISA card

and PIN. These guidelines provide examples of security measures only and will not determine your liability for any losses resulting from unauthorised Electronic Transactions. Liability for such Transactions will be determined in accordance with clause 16 of these Conditions of Use and the ePayments Code.

Guidelines for Ensuring the Security of the VISA card and PIN

- Sign the VISA card as soon as you receive it
- Keep the VISA card in a safe place
- make sure that your VISA card is still in your custody by checking regularly (even if you have not used it for a while)
- If you change the PIN, you must not select a PIN which represents your birth date or a recognisable part of your name
- Memorise your PIN as soon as you receive or change it and destroy any letter you receive with the PIN on it.
- Never write the PIN on the VISA card
- Never write the PIN on anything which is kept with or near the VISA card
- Never lend the VISA card to anybody

- Never tell or show the PIN or CVV to another person CVV except when required for a valid transaction
- Use care to prevent anyone seeing the VISA card number and PIN being entered at Electronic Equipment
- Be ready to make the transaction when you approach the ATM;
- Do not leave anything behind at an ATM or merchant outlet after a transaction is complete that could reveal your PIN.
- Immediately report the loss, theft or unauthorised use of the VISA card to us or to the VISA Card Hotline
- Keep a record of the VISA card number and the VISA Card Hotline telephone number for your area with your usual list of emergency telephone numbers
- Examine your periodical statement immediately upon receiving it to identify and report, as soon as possible, any instances where the VISA card has been used without your authority
- Immediately notify us of any change of address

Incorrect methods of keeping your PIN secure are:

- Recording the PIN by reversing the number sequence;
- Recording the PIN as a telephone number where no other telephone numbers have been written down;
- Recording the PIN as a series of words or numbers with the PIN being marked or circled in such a way to indicate it;
- Recording the PIN as any date (e.g. 20/3/95) or a date of birth, a postcode or a telephone number;
- Recording the PIN in an easily understood code such as A=1, B=2, C=3, etc.
- Recording your PIN or the disguised record on a Visa Debit Card.
- You indicating your PIN on the outside of the VISA card or keeping a record of the PIN on an article carried with the VISA card;
- Unreasonably delaying to inform us that a VISA card has been misused, lost or stolen or that the security of the CVV code or PIN has been breached.

Visa Debit Card: Conditions of Use

2. Codes Of Conduct

2.1 We will comply with the ePayments Code where that code applies, and any other relevant industry code of practice that may apply to us.

2.2 Where the ePayments Code applies, your liability and responsibilities do not exceed your liability and responsibilities under the ePayments Code, despite any other provision of these Conditions of Use.

3. Signing The Visa Card

3.1 You agree to sign your VISA card immediately upon receiving it and before using it as a means of preventing fraudulent or unauthorised use of your VISA card.

3.2 You must ensure that where an additional VISA card is issued to your Nominee, your Nominee signs the VISA card issued to them immediately upon receiving it and before using it.

4. Protecting The Pin

4.1 We will provide a PIN to use the VISA card with certain Electronic Equipment. You agree to protect this PIN as a means of preventing fraudulent or unauthorised use of the VISA card.

4.2 You must not voluntarily disclose the PIN to anyone, including a family member or friend.

4.3 You must not write or record the PIN on the VISA card, or keep a record of the PIN on anything carried with the VISA card or liable to loss or theft simultaneously with the VISA card, unless you make a reasonable attempt to protect the security of the PIN.

A reasonable attempt to protect the security of a PIN record includes making any reasonable attempt to disguise the PIN within the record, or prevent unauthorised access to the PIN record, including by:

You must make every reasonable effort to safeguard the PIN at all times.

5. Using The Visa Card

5.1 If you have been issued with a VISA debit PayWave card which is identifiable by the PayWave logo, you will be able to make faster purchases. Instead of swiping your card as you always have, you will just need to tap your VISA card against the contactless reader. Payments using the PayWave functionality can only be made at a participating merchant outlet and if your purchase is under AU\$100.00. If your purchase is equal to or over AU\$100.00, you'll still need to enter a PIN. The VISA and our security systems continue to protect you from unauthorised Transactions. The same conditions apply to your VISA Debit PayWave Transactions as your other VISA card Transactions.

5.2 A purchase transaction performed by pressing the 'CR' button will enable you to take cash out - a PIN will always be required for these transactions. The VISA card may only be used to perform Transactions on your Linked Account(s). We will advise you of the accounts, including any credit facility, which you may link to the VISA card.

5.3 We will debit your Linked Account(s) with the value of all Transactions, including sales and cash advance vouchers arising from the use of the VISA card (including all mail or telephone orders placed by quoting the VISA card number) and all other Transactions, or credit your Linked Account(s) with the value of all deposit Transactions at Electronic Terminals.

5.4 We will advise you from time to time:

- a) what Transactions may be performed using the VISA card; and
- b) what Electronic Terminals may be used.

5.5 Transactions will not necessarily be processed to your Linked Account on the same Day.

5.6 If your VISA card is enrolled in Visa's Click to Pay service, clause 25 (Click to Pay) also applies to your use of the VISA card through that service.

6. Using The Visa Card Outside Australia

6.1 All Transactions made in a foreign currency on the VISA card will be converted into Australian currency by VISA Worldwide, and calculated at a wholesale market rate selected by VISA from within a range of wholesale rates or the government mandated rate that is in effect one day prior to the Central Processing Date (that is, the date on which VISA processes the Transaction).

6.2 All Transactions made in a foreign currency on the VISA card are subject to a currency conversion fee equal to 3% of the value of the Transaction, payable to Cuscal as the principal member of VISA Worldwide. The amount of this currency conversion fee is subject

Visa Debit Card: Conditions of Use

to change from time to time and we will advise you in advance of any such change.

6.3 Some overseas Merchants and Electronic Terminals charge a surcharge for making a Transaction. Once you have confirmed the Transaction you will not be able to dispute the surcharge. The surcharge may appear on your statement as part of the purchase price.

6.4 Some overseas Merchants and Electronic Terminals charge a surcharge for making a Transaction. Once you have confirmed the Transaction you will not be able to dispute the surcharge. The surcharge may appear on your statement as part of the purchase price.

6.5 Before travelling overseas, you or your Nominee should consult us to obtain the VISA Card Hotline number for your country of destination. You should use the VISA Card Hotline if any of the circumstances described in clause 17 apply.

6.6 A cardholder must comply with all applicable exchange control and tax laws governing the use of the card and you indemnify us against liability, loss, fees, charges or costs arising as a consequence of a failure to comply with them.

7. Withdrawal And Transaction Limits

7.1 You agree that the VISA card will not be used to:

- a) overdraw any of your Linked Account(s); or
- b) exceed the unused portion of your credit limit under any pre-arranged credit facility such as a line of credit or overdraft.

7.2 If clause 7.1 is breached, we may:

- a) dishonour any payment instruction given; and
- b) charge you an administrative fee as advised to you from time to time.

7.3 We may at any time limit the amount of a Transaction if this is required for security or credit risk purposes. We will advise you of any such daily or periodic Transaction limits in the Product Schedule which forms part of the PDS for the VISA card.

7.4 You acknowledge that third party organisations including Merchants may impose additional restrictions on the amount of funds that may be withdrawn, paid or transferred.

8. Authorisations

You acknowledge and agree that:

- a) we have the right to deny authorisation for any Transaction where this is required for security or credit risk purposes; and
- b) we will not be liable to you or any other person for

any loss or damage which you or such other person may suffer as a result of such refusal.

9. Deposits At Electronic Terminals

NOTE: You cannot deposit funds by cheque

We are a digital bank. We do not issue or accept deposits of cheques, bank cheques, cash or money orders into your Linked Account(s). Therefore deposits at Electronic Terminals are not available.

10. Account Statements

10.1 We will notify you when an account statement is ready for the Linked Account at least every 6 months. You may request more frequent account statements.

10.2 We may charge a fee for responding to any request by you to provide more frequent account statements or copies of your account statements as specified in any Linked Account terms.

11. Transaction Slips And Receipts

It is recommended that you check and retain all Transaction slips, receipts and payment or transfer reference numbers issued to you after conducting a Transaction, as well as copies of all sales and cash advance vouchers, to assist in checking Transactions against your statements.

12 Additional Cards

12.1 You may authorise us, if we agree, to issue an additional VISA card to your Nominee, provided this person is at least 18 years of age (unless we agree to a younger age).

12.2 You acknowledge that where you have more than one Linked Account, your Nominee will have access to all those Linked Accounts.

12.3 You will be liable for all Transactions carried out by your Nominee on the VISA card. We will give each nominee a PIN. Your nominee's use of the Visa Card and PIN is governed by these Conditions of Use.

12.4 You must ensure that each Nominee protects their VISA card and PIN in the same way as these Conditions of Use require you to protect your VISA card and PIN.

13. Renewal Of The Visa Card

13.1 Unless you are in breach of these Conditions of Use or we deem otherwise for the security of a system or individual accounts, we will automatically provide you and your Nominee with a replacement VISA card before the expiry date of the current VISA card or additional VISA card.

13.2 If you do not wish to receive a replacement VISA card, either for yourself or for your Nominee, you must notify us before the expiration date of the current VISA card. You must give us reasonable time beforehand

Visa Debit Card: Conditions of Use

to arrange cancellation of the issue of a replacement VISA card.

14. Cancellation And Return Of The Visa Card

14.1 The VISA card always remains our property.

14.2 We can immediately cancel the VISA card and demand its return or destruction at any time for security reasons.

14.3 We may, at any time, cancel the VISA card for any reason by giving you 30 Days written notice. The notice does not have to specify the reasons for the cancellation. The use of your VISA card will be immediately terminated if your Linked Accounts are closed for any reason whatsoever.

14.4 You may cancel your VISA card or any VISA card issued to your Nominee at any time by giving us written notice.

14.5 If you or we cancel the VISA card issued to you, any VISA card issued to your Nominee(s) will also be cancelled.

14.6 You will be liable for any Transactions you or your Nominee make using the VISA card before the VISA card is cancelled but which are not posted to your Linked Account until after cancellation of the VISA card.

14.7 You must destroy your VISA card and any VISA card issued to your Nominee to us when:

- a) we notify you that we have cancelled the VISA card;
- b) you close your Linked Account(s);
- c) you cease to be a customer with us;
- d) you cancel your VISA card, any VISA card issued to your Nominee, or both; or
- e) you alter the authorities governing the use of your Linked Account(s), unless we agree otherwise.

15. Use After Cancellation Or Expiry Of The Visa Card

15.1 You must not use the VISA card or allow your Nominee to use the VISA card:

- a) before the valid date or after the expiration date shown on the face of the VISA card; or
- b) after the VISA card has been cancelled.

15.2 You will continue to be liable to reimburse us for any indebtedness incurred through such use whether or not you have closed your Linked Account(s) with us.

16. Your Liability In Case Of Unauthorised Transactions

16.1 This clause 16 applies to unauthorised Electronic Transactions. An unauthorised Electronic Transaction is an Electronic Transaction that is not authorised by you or your Nominee.

16.2 You are not liable for losses arising from an unauthorised Electronic Transaction:

- a) where it is clear that you and your Nominee have not contributed to the loss;
- b) caused by the fraud or negligence of:
 - i. employees or agents of us;
 - ii. any third party involved in networking arrangements; or
 - iii. any Merchant or their employee or agent;
- c) caused by a forged, faulty, expired or cancelled VISA card, Identifier or PIN;
- d) caused by the same Electronic Transaction being incorrectly debited more than once to the same account;
- e) caused by an Electronic Transaction which does not require a PIN authorisation that occurred before receipt of the VISA card;
- f) caused by an Electronic Transaction which requires PIN authorisation that occurred before receipt of the PIN;
- g) arising from an unauthorised Electronic Transaction that can be made using an Identifier without the VISA card or PIN; or
- h) arising from an unauthorised Electronic Transaction that can be made using the VISA card, or the VISA card and an Identifier, but without the PIN, if you do not unreasonably delay reporting the loss or theft of the VISA card.

16.3 If there is a dispute about whether you or your Nominee received a VISA card or PIN:

- a) it is presumed that you or your Nominee (as applicable) did not receive it, unless we can prove that you or your Nominee (as applicable) did receive it;
- b) we can prove that you or your Nominee (as applicable) did receive it by obtaining an acknowledgment of receipt from you or your Nominee (as applicable); and
- c) we may not rely on proof of delivery to the correct mailing address or electronic address of you or your Nominee (as applicable) to prove that you or your Nominee (as applicable) did receive it.

16.4 Where we can prove on the balance of probability that you or your Nominee contributed to a loss through fraud, or breaching the PIN security requirements in clause 4, then you are liable in full for the actual losses that occur before the loss, theft or misuse of the VISA card or breach of PIN security is reported to us or the VISA Card Hotline. However you are not liable for the portion of losses:

- a) incurred on any one day that exceeds any applicable daily Transaction limit on any Linked Account;
- b) incurred in any period that exceeds any applicable periodic Transaction limit on any Linked Account; Account, including any pre-arranged credit; or

Visa Debit Card: Conditions of Use

c) incurred on any account that you and we had not agreed could be accessed using the VISA card or Identifier and/or PIN used to perform the Electronic Transaction.

16.5 You are liable for losses arising from unauthorised Electronic Transactions that occur because you or your Nominee contributed to losses by leaving a VISA card in an ATM, as long as the ATM incorporates reasonable safety standards that mitigate the risk of a card being left in the ATM.

16.6 Where we can prove, on the balance of probability, that you or your Nominee contributed to losses resulting from an unauthorised Electronic Transaction by unreasonably delaying reporting the misuse, loss or theft of a VISA card, or that the PIN security has been breached, you are liable for the actual losses that occur between when you became aware of the security compromise (or should reasonably have become aware in the case of a lost or stolen VISA card), and when the security compromise was reported to us or the VISA Card Hotline. However you are not liable for the portion of losses:

- a) incurred on any one day that exceeds any applicable daily Transaction limit on any Linked Account;
- b) incurred in any period that exceeds any applicable periodic Transaction limit on any Linked Account;
- c) that exceeds the balance on any Linked Account, including any pre-arranged credit, or
- d) incurred on any account that you and we had not agreed could be accessed using the VISA card and/or PIN used to perform the Electronic Transaction.

16.7 Where a PIN was required to perform an unauthorised Electronic Transaction and clauses 16.4, 16.5 and 16.6 do not apply, your liability is the lesser of:

- a) \$150;
- b) the actual loss at the time of notification to us or the VISA Card Hotline of the misuse, loss or theft of the VISA card, or of the breach of PIN security (except that portion of the loss that exceeds any daily or periodic Transaction limits applicable to the use of your VISA card or your Linked Account); or
- c) the balance of your Linked Account, including any prearranged credit.

17. How To Report Loss, Theft Or Unauthorised Use Of The Visa Card Or Pin

17.1 If you or your Nominee believes the VISA card has been misused, lost or stolen or the PIN has become known to someone else, you or your Nominee must immediately contact us (if during business hours) or the VISA Card Hotline at any time on its emergency number detailed in clause 17.6 below.

17.2 The VISA Card Hotline or we will acknowledge the notification by giving a reference number. Please retain this number as evidence of the date and time of contacting us or the VISA Card Hotline.

17.4 The VISA Card Hotline is available 24 hours a day, 7 days a week.

17.5 If the VISA Card Hotline is not operating at the time notification is attempted, the loss, theft or unauthorised use must be reported to us as soon as possible during business hours. We will be liable for any losses arising because the VISA Card Hotline is not operating at the time of attempted notification, provided that the loss, theft or unauthorised use is reported to us as soon as possible during business hours.

17.6 If the loss, theft or misuse occurs OUTSIDE AUSTRALIA, you or your Nominee must notify an organisation displaying the VISA sign and also then confirm the loss, theft or misuse of the card:

18.7 If we find that an error was made, we will make the appropriate adjustments to your Linked Account including interest and charges (if any) and will advise you in writing of the amount of the adjustment.

18.8 When we advise you of the outcome of our investigations, we will notify you of the reasons for our decision by reference to these Conditions of Use and the ePayments Code and advise you of any adjustments we have made to your Linked Account. The notification will be given in writing except if the complaint is settled to your complete satisfaction within 5 business Days (unless you request a written response).

- a) give you copies of any documents or other evidence we relied upon; and
- b) advise you in writing whether or not there was any system or equipment malfunction at the time of the

relevant Transaction.

18.11 If we, our employees or agents do not comply with the ePayments Code (when it applies) and this contributes to a decision about a complaint that is against you, or a delay in the resolution of the complaint, we or an external dispute resolution scheme may decide that we must pay part or all of the amount of a disputed Transaction as compensation.

18.12 If we decide to resolve a complaint about the VISA card by exercising our rights under the rules of the VISA card scheme, then different timeframes may apply for resolution of the complaint. We will inform you of the relevant time frames and when you can reasonably expect a decision.

Visa Debit Card: Conditions of Use

For example you may be entitled to reverse a Transaction where the Merchant has not provided you with the goods or services you paid for and you have tried to get a refund from the Merchant and were unsuccessful.

20.5 Please note we are not able to reverse (chargeback) direct debit Transactions set up using your default deposit account number and branch number (BSB).

21.2 If a user should reasonably have been aware that a system or equipment provided by any party to a shared electronic network was unavailable or malfunctioning, our liability in relation to an Electronic Transaction will be limited to correcting any errors and refunding any fees or charges imposed on you.

22. Regular Payment Arrangements

22.1 You should maintain a record of any Regular Payment Arrangement that you have entered into with a Merchant.

22.2 To change or cancel any Regular Payment Arrangement you should contact the Merchant or us at least 15 days prior to the next scheduled payment. If possible you should retain a copy of this change/cancellation request.

22.3 Should your Card Details be changed (for example if your VISA card was lost, stolen or expired and has been replaced) then you must request the Merchant to change the details of your existing Regular Payment Arrangement to ensure payments under that arrangement continue. If you fail to do so your Regular Payment Arrangement may not be honoured, or the Merchant may stop providing the goods and/or services.

22.4 Should your VISA card or Linked Account be closed for any reason, you should immediately contact the Merchant to change or cancel your Regular Payment Arrangement, as the Merchant may stop providing the goods and/or services.

24. Privacy And Confidentiality

24.1 We collect personal information about you or your Nominee for the purposes of providing our products and services to you. We may disclose that personal information to others in order to execute any instructions, where we reasonably consider it necessary for the provision of the VISA card or the administration of your Linked Account(s), or if it is required by law.

24.2 You represent that, in supplying us with personal information about your Nominee, you have authority to do so and will inform them of the contents of this clause.

24.3 You and your Nominee may have access to the personal info we hold about each of you at any time by asking us.

24.4 For more details of how we handle personal information, refer to our Privacy Policy.

25. Click to Pay

25.1 This clause forms part of these Conditions of Use should you decide to use Click to pay. Cuscal provides payments processing and scheme enablement services to us as a Visa Card Issuer but does not issue Visa Cards and is not a party to your use of Click to Pay.

25.2 To use Click to Pay, your VISA Card must be eligible, active, and enrolled with Visa. We may undertake bulk enrolment of eligible VISA Cards on your behalf, and Visa will use this information to create or link a Click to Pay profile for you.

25.3 You may also enrol directly with Visa. If we subsequently enrol your VISA Card, these Conditions of Use (including this clause 25) will apply to your purchases and use of Click to Pay, and any separate agreement you have entered into directly with Visa in respect of that card may cease to apply.

25.4 Click to Pay may automatically populate your checkout details at participating merchants. You warrant that the details provided through Click to Pay are accurate, that you are authorised to use the VISA Card, and you agree not to misuse or interfere with the Click to Pay service.

25.5 Visa may update Click to Pay terms from time to time. Your continued use of Click to Pay after such an update indicates your acceptance of any changes. We may also update this clause 25 to reflect changes to the Click to Pay service or the Visa scheme rules, in accordance with clause 23 (Changes to Conditions of Use).

25.6 You may opt out of Click to Pay for your Card at any time by calling us. If you opt out, we will not re-enrol your Card unless you request it.

25.7 When a replacement Card has the same Card number (generally the case with expired or damaged Cards) it will be enrolled into Click to Pay if the previous Card was enrolled. The replacement Card will not be enrolled into Click to Pay if you had opted out your previous Card.

25.8 When a replacement Card has a new Card number (generally the case with lost or stolen Cards) it will automatically be enrolled into Click to Pay even if you had opted out your previous Card. You may opt-out of Click to Pay for your replacement Card by calling us.

25.9 Neither we nor Cuscal is a party to any transaction you complete with a merchant using Click to Pay. Your liability, and our liability to you, for the use of your VISA Card through Click to Pay remains subject to clause 16 (Your Liability in Case of Unauthorised Transactions) and the other provisions of these Conditions of Use – this clause 25 does not create any separate or additional liability regime.

25.10 Personal information provided or generated in connection with your use of Click to Pay is handled in accordance with clause 24 (Privacy and Confidentiality), our Privacy Policy, Visa's privacy requirements, and applicable law.
