- Name
- email address.
- residential address
- phone number.

We may ask for evidence of the change or other information to protect you and ensure we have the right contact details.

For Accounts with more than one Authorised Representative, you must nominate one Authorised Representative to receive communications. This will be deemed to be effective communication regarding your Account to all Authorised Representatives.

If you have appointed a Third-Party Agent, we will provide that agent with all information concerning your Account. That Third Party Agent will then have an obligation to pass on the information to you and to make it available to you in the format you have agreed with them. You must notify us in writing if you no longer wish for us to do this.

PART B – ACCOUNT

2.1 Opening your Account

You can open an Account with us via our website at goldfieldsmoney.com.au or through a Third-Party Agent.

If you open an Account as a trustee or Authorised Representative, you represent and warrant that you have the authority and power to open and operate the Account and, if you are a trustee, that;

- you are the trustee of the trust for the Account being opened and no action has been taken to replace or remove you as trustee of the trust; and
- you have an unrestricted right to be fully indemnified out of trust assets in respect of any liability that you may incur as a trustee.

We may, acting reasonably, request a certified copy of certain documents such as an original certified extract of the trust deed and/or additional information to help us identify and verify the trust and the trustee(s). Societies, companies, businesses, executors, administrators, and others can also open an account in trust for another person.

If you have not held an account with us before we will need to ensure you are the person you say you are by:

- verifying your identity under Anti-Money Laundering law; and
- ensuring you're eligible to open an account with us.

If we agree to open an Account for you, we will send you the Account details, including your Account number. Please note that we do not have to open an Account for you, and we do not have to give you any reasons for not doing so.

If you have come to us through a Third-Party Agent you have consented to that party sharing your information with us to enable us to open up your Account.

If you have any questions regarding the Account opening process, please contact us.

PART C – OPERATIONS

NOTE: we may introduce caps on the amounts you can deposit with Goldfields Money.

3.1 Minimum and maximum balances

The minimum account balance is \$5,000. There is currently no maximum account balance. However, we retain the right to change or introduce such limits or to place caps on maximum amounts if we choose to do so at our discretion.

You are not allowed to overdraw your Account. If you do so you must repay us the overdrawn amount immediately.

3.2 Who else can operate on your Account?

NOTE: If you have a joint account you may be liable for the actions of your joint accountholder.

Only authorised signatories can operate on your Account. We will treat a person as authorised to act on your behalf and operate on your Account if we receive evidence of their authority to do so.

You may nominate up to eight (8) Authorised Representatives to operate on the Account provided they meet the requirements of these terms and conditions. Each Authorised Representative has full authority on an Account as if they were the Account Holder. We will send notices to only one Authorised Representative you nominate unless we agree otherwise. Each action or inaction of each Authorised Representative binds the Account and the Account Holder(s) as if the Authorised Representative were the Account Holder(s). Each Authorised Representative is also responsible for the performance of any obligations of the Account Holder(s). To add or remove an Authorised Representative, you must contact us at info@goldfieldsmoney.com.au or phoning us on 1300 464 465 Monday to Friday 7am to 5pm AWST.

If you have a joint Account each one of you has the full right to withdraw, deposit, or otherwise manage the operation of your Account. Your liability under these terms and conditions is both joint and separate with the other Accountholder.

If your Account becomes overdrawn, we can ask either Accountholder to put the money back into the Account as you are jointly liable for the debit balance.

You agree that each joint Account holder acts as agent for the other and any notice or statement we give any joint Account holder is taken to be a notice or statement given to all joint Account holders, except where we are legally obliged to do otherwise. You agree that each joint Account holder may have access to information about the Account or any associated account without the consent of the other joint Account holder.

If a shared Account holder dies, the remaining Account holder owns the credit balance in the Account.

We are not liable for any loss or damage caused to you by people

authorised to operate on your Account, except where it arises from fraudulent conduct by our employees or agents, or if we are liable by law.

We may refuse to act on any instructions:

- which we consider may be invalid, not given in accordance with our directions, given without your authority or that are unlawful or unclear; or
- if we believe there is a dispute between Account Holders, or with an Authorised Representative.

In such cases, we are not responsible for not executing or any delay in executing your instructions.

If you opened an Account through a Third-Party Agent we may act on that Third Party Agent's instructions in relation to your Account. The terms of your agreement with that Third Party Agent may affect the way you operate your Account with us. For instance, some third parties may not allow you to have a joint account or set up a direct debit with your Account. We may act in accordance with any authority you provide to that Third Party Agent.

We may, at any time, acting reasonably, withdraw our recognition and/or approval of a Third-Party Agent or Authorised Representative (for example, if we become aware of potential criminal activity), in which case we will notify you in writing as soon as practicable that we have done so. In such circumstances, we will no longer accept instructions from that Third Party Agent or Authorised Representative on your behalf.

3.3 Visa Debit Cards

A Visa Debit card allows you to access the money in your Account and to pay for your purchases using your own money through the worldwide Visa network.

Your use of the Visa Debit card to operate your Account is subject to the Visa Debit Card Terms and Conditions provided to you separately.

If you have reason to believe that your Visa Debit Card is being misused, please contact us immediately.

3.4 Automatic Teller Machines (ATMs)

Subject to your daily transaction limit on your Account you can use your Visa Debit card at most Automatic Teller Machines (ATMs) in Australia to withdraw cash, transfer money within your Account and, in some instances perform balance enquiries (a PIN is required for ATM transactions).

Using an ATMX branded machine will ensure that you are not directly charged for your transactions. Direct charges may be made for using other ATMs by owners of the ATMs. This will be displayed at the time of the transaction and allows you to accept or decline the fee as shown.

3.5 BPAY

BPAY is available via Internet banking and mobile banking.

With the BPAY facility, you can pay a variety of bills using cleared funds from your Goldfields Money Accounts.

For instructions on operating this facility, please see the Frequently Asked Questions section via <https://www.goldfieldsmoney.com.au/help/>. Please note we do not currently offer OSKO or New Payment Platform (NPP) payments.

3.6 Internet Banking

Goldfields Money's Internet banking service allows you to obtain up-to-date information about your Account as well as to transfer funds between your Goldfields Money accounts. Internet Banking also allows you to make transfers to other financial institutions by Electronic Funds Transfer (EFT) subject to any daily withdrawal limits or fees and charges applying to the transfer. Please refer to our Account Fees Booklet for relevant fees and charges. You can also make bill payments using BPAY.

3.7 Meaning of "Available Balance"

The "Available Balance" includes any funds lodged in your Goldfields Money Account, or other agreed credit facility made available for your Goldfields Money Account.

The Available Balance does not include:

- deposits received but uncleared;
- interest accrued but not credited; or

TERMS & CONDITIONS PERSONAL, BUSINESS AND SMSF

We may change any transaction limit or introduce a new transaction limit on your Account immediately if:

- you asked us to change that transaction limit and we agree; or
- we have to make the change to:
 - protect the Account; or
 - restore or maintain the security of our systems.

Please contact us if you would like to discuss changing your daily limit.

3.9 Adjustments

We adjust the balance of your Account if we need to correct a transaction error or if a recorded transaction is rejected or reversed.

Another financial institution may claim that a payment was made by mistake into your Account. We will consider that financial institution's request carefully. If there is clear evidence that the payment was made by mistake, we will:

adjust the Account balance by deducting the amount of the mistaken payment from the Account and paying it to the other financial institution.

We tell you if we adjusted your Account and will:

- give you reasons why.
- give you any evidence on which we relied to make the adjustment.

Also, we record the adjustment in your statements which are a record of your Account.

3.10 Overdrawn Accounts

NOTE: we may charge you interest if you overdraw your Account.

We adjust the balance of your Account if we need to correct a transaction error or if a recorded transaction is rejected or reversed.

Another financial institution may claim that a payment was made by mistake into your Account. We will consider that financial institution's request carefully. If there is clear evidence that the payment was made by mistake, we will:

adjust the Account balance by deducting the amount of the mistaken payment from the Account and paying it to the other financial institution.

Hardship

You may be suffering hardship because you lost your job or had to pay unexpected expenses. There are other reasons for hardship.

If you cannot repay an overdrawn balance because you are suffering from hardship, please contact us and we will try to work out an appropriate repayment arrangement with you.

3.11 Suspending your Account

NOTE: we can suspend operations on your Account.

We may suspend your Account if we:

- are required to do so by law or by an Australian regulator
- consider there is suspicious activity on your Account
- become aware that there is a dispute in relation to the Account
- are notified or otherwise become aware of the bankruptcy of an Account holder; or
- we consider it to be necessary to prevent financial harm or abuse.

- become aware that you're no longer able to manage your affairs
- become aware that you can no longer give us instructions

If we suspend your Account, we will need to do so quickly without telling you. We will tell you about it as soon as possible after the suspension.

If we suspend your Account, you cannot make withdrawals from the Account during the suspension. Your available balance is \$0 during the suspension.

If the suspension is due to:

- a cause under our control, we will diligently take steps available to us to overcome that cause; or
- a cause not under our control, we will suspend your Account until we have enough evidence that there is no longer any cause for the suspension.

We tell you in writing:

- if we need anything from you to lift the suspension
- as soon as possible after we lift the suspension

If we cannot sort out the cause for the suspension within a reasonable time, we may close your Account and pay the available balance of the Account to any other account you may nominate outside Goldfields Money.

3.12 Statements of Account

NOTE: Please check Account Statements carefully

On any day, you can access internet banking to see your transaction history. Sometimes you may not see interest credits or particular transactions for a few days.

Every 6 (six) months we will give you a statement of your Account (Account statement). You can also access your Account through internet banking to review these statements.

Additional statements can be requested more frequently by contacting us.

Each Account statement sets out details of transactions on your Account in the period covered by the statement. Please check Account statements carefully as soon as you can.

You can contact us if you have a query or dispute about a transaction. We will do our best to give you details about any transactions you dispute or assist in examining the disputed transaction.

3.14 Cancellation of Direct Debits or Periodical Payments

You can cancel a direct debit or periodical payment:

- through your Internet Banking
- By sending us a request in writing at least 3 business days prior to the next payment.

Goldfields Money reserves the right to cancel any direct debit arrangement if we consider the arrangement results in unsatisfactory conduct on the Account. We will notify you if we cancel a direct debit or periodical payment.

3.15 EFTPOS – Electronic Funds Transfer at Point of Sale

You can use your Visa Debit card at any retailer throughout Australia that displays the EFTPOS logo. Your purchase will be automatically debited from your Account for the amount of the

CASH MANAGEMENT ACCOUNT

TERMS & CONDITIONS PERSONAL, BUSINESS AND SMSF

purchase.

PART D – INTEREST AND FEES

NOTE: We can introduce fees on your Account.

4.1 How we calculate interest

We may pay interest on credit balances in your Account. Our standard interest rates are variable, and we may, acting reasonably and subject to law, change the interest rate(s) from time to time.

Interest is calculated daily by dividing the current interest rate by the number of days in the year (365 days, or 366 in a leap year) and multiplying by the daily closing balance, which is the credit balance of your Account at the end of a day.

Interest accruals are rounded up or down to the nearest cent daily:

- 0.5 cent or more is rounded up, and
- less than 0.5 cent is rounded down.

All interest payments will generally be paid on the last business day of the month for all interest accrued for that month up to that business day.

If the last calendar day of the month is not a business day, then any interest accrued on those remaining calendar days will be paid on the last business day of the following month.

4.2 Interest rates

All interest rates we offer on our CMA accounts are variable and we may, acting reasonably and subject to law, change the interest rate(s) applicable on any individual Account from time to time.

Our current interest rates are published on our website or are available by contacting us. For business customers, discretionary pricing may be available. Contact us to discuss the criteria for discretionary pricing.

4.3 When we may charge fees

We do not charge regular Account keeping fees on our Cash Management Account.

We will advise you if we become aware of any Government charges or third-party fees and when they are payable.

We debit your Account with any fee or charge on the date it is payable. We may do so even if that debit will overdraw your Account. If we debit a fee or charge and there is an overdrawn balance on your Account:

- we may charge interest on that overdrawn balance; and
- you must repay that overdrawn balance.

We may introduce fees or charges on your Account. If that happens, we will tell you in advance.

A copy of our Account Fees Booklet is available on our website. You can also contact us to request a copy.

More details on changes to these terms are in Part E.

PART E – CHANGES TO THESE TERMS

NOTE: We can change any of these terms.

5.1 General

If we have good business reasons to do so, we may change:

- any interest rate we apply to your Account;
- minimum or maximum account balances
- any fee we have introduced under these terms and when fees are payable. We may also introduce new fees
- your liability for losses relating to electronic transactions on your Account

- make new services available on your Account
- improve existing services on your Account
- cover new or increased costs we incur in managing your Account
- improve the security of your Account or our systems.

- protect the Account
- restore or maintain the security of our systems

5.5 Fees

- change the method by which interest is calculated; or
- change the frequency with which interest is debited or credited.

CASH MANAGEMENT ACCOUNT

TERMS & CONDITIONS PERSONAL, BUSINESS AND SMSF

5.6 Immediate changes

We may change anything immediately if:

Please contact us and we will do our best to explain the change.

PART F – MISCELLANEOUS

6.1 Combining accounts

An explanation

The law allows us to combine accounts you hold with us. We may do so to work out:

- how much you owe us (if the debit balances are greater than the credit balances)
- how much we owe you (if the credit balances are greater than the debit balances)

We may combine accounts only if:

- they are in your name only
- you hold each of the accounts in the same capacity. For example, we will not combine an account that you hold in your name only with an account you hold jointly with others
- there is no agreement between us to keep the accounts separate. For example, we may have promised to keep your Account separate from a loan account you hold with us while we consider a hardship application you made on that loan account.

Hardship applications and arrangements

We will not combine your Account with a loan you have with us if:

- we are reviewing a hardship application from you about that loan. We may ask you to retain money in your Account while we consider the hardship application
- you're complying with an arrangement we have with you about that loan resulting from a hardship application.

6.2 Tax file numbers

We are authorised under the Income Tax Assessment Act 1936 to collect tax file numbers of account holders. It is not compulsory to give us your tax file number. If you do not provide us with your tax file number or any exemption that may apply, Australian tax law may require us to withhold a portion of the interest earned on your account and send it to the Australian Tax Office.

If you are also a resident of another country and have a Tax Identification Number from that country, you must provide us with that information.

6.3 The collection, use, and disclosure of TFNs is regulated by the Privacy Act 1988.

Financial Claims Scheme

The Financial Claims Scheme (FCS) is an Australian Government scheme that guarantees deposits (up to a limit) held in an authorised deposit-taking institution (ADI) in the event that the ADI comes insolvent.

6.4 Your deposits with Goldfields Money are covered under the FCS. More information about the FCS is available at www.fcs.gov.au

6.5 Unclaimed money

If you have not operated on your Account for at least seven years, the law requires us to pay an amount (unclaimed money) standing to the credit of the Account (currently, the minimum amount in the Account must be at least \$500) to ASIC. You can apply to ASIC's MoneySmart website to recover that money.

Once we pay out unclaimed money from your Account, the Account has a nil balance and we may close it. We will notify you before we close your Account at your last known contact address.

6.6 Death of an individual Account Holder or Authorised Representative

In the event of the death of an individual Account Holder of a joint Account, we may treat the surviving Account Holder as exclusively holding the Account upon receipt of formal notification of the death of the Account Holder, together with any other relevant documentation which we may reasonably request.

In the event of the death of an individual Account Holder, an individual SMSF trustee or of an Authorised Representative, we may suspend all activity on the relevant Account upon receipt of formal notification of the death until such time as we receive all relevant documentation which we may request, including confirmation of the identity of the deceased's legal representative(s) who is authorised by grant of probate of the deceased's estate to operate or close the Account. Interest will continue to accrue on the Account until the funds are released.

6.7 Commissions and Bonuses

Goldfields Money may earn or pay a commission or employee bonuses on some of the products and services offered. Other commission arrangements may apply to other products. Details of commissions are stated in Goldfields Money Financial Services Guide (FSG). See www.goldfieldsmoney.com.au/resources and download the guide.

6.8 ePayments Code

We are subscribers to the ePayments Code. The ePayments Code sets out rules about how electronic transactions should work. All transactions you can make on your account are electronic transactions.

The ePayments Code:

- requires detailed terms about electronic transactions; and
- sets out rules for determining who pays for electronic transactions you did not authorise. Sometimes, you can be responsible for all or part of an unauthorised electronic transaction.
- will work out who is responsible for unauthorised transactions and liability in accordance with the ePayments Code.

CASH MANAGEMENT ACCOUNT

TERMS & CONDITIONS PERSONAL, BUSINESS AND SMSF

Goldfields Money will:

- comply with the ePayments Code whenever that code applies; and
