- Available for SMSFs
- Zero service fees

Our Retire Style Account is a hard working savings account for our customers who are aged 55+ or for those that are managing their own SMSF.

The Retire-Style Account offers interest on your money calculated daily and credited monthly.

You can access your money digitally on your desktop, tablet or smartphone. If you prefer to operate in person you can do so at a participating location of Bank@ post or at anytime via our RediATM network, anywhere; giving you total freedom and control over your hard earned cash.

If you're one of our many tech-savvy seniors, you don't need a card to pay for things anymore...just your smartphone!

The Retire-Style account is Apple Pay and Google Pay ready, which means we can help you set up Apple Pay or Google Pay on your smartphone turning it into a 'digital wallet'. You'll be able to simply unlock your phone, and hold it close to the payment terminal to pay.

Our Retire-Style Account has zero everyday fees. We don't charge for direct debits, EFT transfers, BPAY, EFTPOS or staff assisted transfers. You don't need to keep a minimum amount of money in your account, or pay monthly/annual service fees.

We do however, have charges on this account for overseas debit card/ATM withdrawal. You can read more about this in our product disclosure statement on our website.

We're a bank regulated by the Australian Prudential Regulation Authority (APRA) which means that your deposits are guaranteed for up to \$250,000 per customer.

If you have any questions or need more info visit our website or pick up the phone.
