

## Bo\$\$ Flex Account

### QUICK READ

- **Hassle-free business account**
- **Overdraft facility**
- **Zero everyday fees**

With an overdraft facility on our Bo\$\$ Flex Transaction Account we give you Flex by name and flex by nature!

We've got you covered with a line of credit which covers transactions if your bank account drops below zero for short term cash flow shortfalls. By using an overdraft you'll avoid dishonour charges, however, interest is paid on the overdrawn amount just like a normal loan.

Our Bo\$\$ Flex Account has zero everyday fees, you read that right - zero! We don't charge you for direct debits, EFT transfers, BPAY, card replacement, EFTPOS or staff assisted transfers.

You don't need to keep a minimum amount of money in your account, the Bo\$\$ Flex attracts a simple quarterly fee.

We don't want to charge you for what you don't need. If you require other services like cheque books, foreign currency conversions and overseas debit cards/ATM withdrawal you have the flexibility to choose. Read more about this in our product disclosure statement on our website or see a quick description on the table on the next page.

If you're a small business operator with an ABN, a Pty Ltd Company, a Partnership, a government agency or a trust the Bo\$\$ Flex Account is for you.
