Goldfields Money offer you the smartest and fastest options to get into your dream home, or even refinance your current loan.

Our interest rates are competitive, and we'll help you structure a loan to suit your life. You'll enjoy flexibility to change things later too.

Our loans process is smooth, easy and efficient. We can also help you secure pre-approval, potentially putting you in a better negotiating position when you're placing an offer on a property. Approvals are swift and we won't leave you hanging, we know you have better things to do.

If you pay your repayments on time there are no fees! Obviously if you don't some fees may be involved. The only other time you might get hit with a fee is if you wish to change the loan terms, just give us a call to talk through the details. There can also be an establishment fee payable to Goldfields Money, see more details on the next page.
