Risk & Compliance Committee Charter

Purpose of Charter

This Charter governs the operations of the Risk & Compliance Committee (the Committee). It sets out the Committee's roles and responsibilities, composition, structure and membership requirements. The Committee has been established to assist the board of directors (the Board) of BNK Banking Corporation Limited (the Company) and its controlled entities (the Group) as the Board oversees the risk profile, approved the Risk Management Strategy of the Group within the context of the risk appetite determined by the Board, and makes its annual declaration to APRA on risk management.

To fulfill its responsibilities the Committee has power delegated by the Board to set risk appetite, review and recommend the Risk Management Strategy to the Board for approval; approve frameworks; approve policies and processes for managing risk (consistent with the Risk Management Strategy and risk appetite); and accept risks beyond the approval discretion provided to management.

The Committee has free and unfettered access to senior management, risk and financial control personnel in carrying out its duties.

Membership

The Committee shall be members of, and appointed by, the Board. It shall be of sufficient size, independence and technical expertise to discharge its mandate effectively. The Committee shall consist of:

- only non-executive directors;
- at least three (3) members;
- a majority of independent directors; and
- a chairperson, who shall be an independent director as nominated by the Board from time to time but who shall not be the chairperson of the Board.

All Committee members will be appointed for a term of three (3) years, after which they will be eligible for re-appointment for so long as they remain directors of the Board and, if they are independent, they do not become non-independent. The effect of ceasing to be a director of the Board is the automatic termination of appointment as a member of the Committee. Members may resign upon reasonable notice in writing to the Committee chairperson. A member may from time to time be immediately removed by notice in writing under the hand of the Committee

chairperson.

The secretary of the Committee shall be the Company Secretary from time to time or such other person as nominated by the Board.

Meetings

The Committee shall meet often enough to undertake its role effectively, being at least four times each year.

The Committee shall meet in private session at least annually to assess management's effectiveness.

A quorum for any meeting will be 2 members.

The agenda and supporting documentation will be circulated to the Committee members within a reasonable period in advance of each meeting. The Secretary will circulate minutes of meetings to members of the Committee and the Board.

Special meetings may be convened as required. The chairperson of the Committee will call a meeting of the Committee if requested to do so by any member of the Committee or by the chairperson of the Board.

The proceedings of all meetings will be minuted and these will be included in the papers for the next Board meeting after each Committee meeting. Other Directors of the Board are entitled to attend the Committee meetings.

The Committee may request any officer or employee of the Company, external legal counsel, the external auditor or any person or Group with relevant experience or expertise to attend meetings of the Committee or to meet with any members of, or consultants to, the Committee.

Authority

The Board authorises the Committee, within the scope of its responsibilities, to:
