**Distributor Reporting Requirements (internally and through Distribution Channels)**

Reporting period	Reporting information is to be reported quarterly during each calendar year. Reporting periods are: <ul style="list-style-type: none"> • Quarter ending 31 March • Quarter ending 30 June • Quarter ending 30 September • Quarter ending 31 December 	
Reporting information	Third party distributors of these products must provide BNK with the following information as soon as practical, or within 10 business days after the reporting period, unless otherwise specified.	
	Complaint information	Full details of any complaints received in relation to this product, including <ul style="list-style-type: none"> • Number of complaints. • Nature and circumstances of the complaints.
	Feedback	Feedback that the target market or key product attributes may no longer be appropriate and not meeting the likely needs, objectives or financial situation of the target market.
	Significant dealings	A distributor must notify BNK in writing as soon as possible but, in any case, within 10 business days of becoming aware of a significant dealing. The notification must include the following information: <ul style="list-style-type: none"> • The date or date range when the significant dealing occurred • A description of the dealing and an explanation on why it's deemed significant and inconsistent with the TMD; • Steps taken or to be taken because of the dealing; and • How the significant dealing was identified

Review

Periodic review	Every 2 years from the Effective Date to ensure it remains appropriate, or earlier if other circumstances occur which trigger the need to review the TMD.
------------------------	---

Review Trigger	<p>This TMD must be reviewed and if needed, changed or withdrawn, should any of the following occur:</p> <ul style="list-style-type: none">• An unexpected increase in material complaints about the product;• BNK determining that product features (for example interest and charges) are not operating in accordance with the terms and conditions, or have significantly changed and do not match this TMD;• A material change is made to this product;• receiving consistent distributor feedback or reporting which suggests this product does not meet this TMD;• a significant dealing in or distribution of this product outside of the suitability, conditions and restrictions of this TMD;• a regulator requiring some or all of the activities involved in distribution of this product to be changed or withdrawn.• A significant breach has occurred in association with this product; or• A significant change to the enforceable regulations that govern the product or direct intervention from any of the governing bodies.
Distribution Information: <i>This is information obtained about distribution feedback and performance to enable Volt to assess and decide whether the TMD may no longer be appropriate.</i>	BNK will reassess the TMD to determine whether it is still appropriate based on the reporting from distributors or consistent feedback from distributors or customers which suggests that the TMD may no longer be appropriate.
